17:45	Final discussion and closing of the event

Project number: 2018-1-ES01-KA203-050606

The hosts of the Multiplier Event presented the Alcmaeon project by showing the different Intellectual Outputs developed. At first they gave a general overview of the aims of development of each deliverable. Then they presented the overall material with a focus on what they developed.

The material used for the presentation was mainly that one available on the project portal (PPTs, PDFs, videos and digital material).
